

LOST PROFILE - SPECIFICATION SHEET - **DISTANCE 1800 PENDANT**

The Distance family takes cues from distant times and places; from Neo-noir cinema to Art Deco banks built in the 1920's.

Distance stands out by blending new technology with time-tested visual language.

LOST PROFILE - SPECIFICATION SHEET - DISTANCE 1800 PENDANT

(25% price increase)</p>							

MATERIALS

Brass, acrylic, LED.

METAL SURFACE MAINTENANCE

All LOST PROFILE metal surfaces are waxed. These metal surfaces are designed to age and patinate. Wear gloves when handling to avoid hand prints. Clear enamel coating is available on request. Enamelling does not stop the patination process, it just slows the process down.

RODS & CEILING CANOPIES

LOST PROFILE offers rods at four lengths (mm): 250, 500, 750, 1000.
 Two rods are included in the price of each DISTANCE PENDANT, additional rods are extra.
 Please consider the height of the fixture itself when selecting a rod.
 DISTANCE PENDANT is supplied with 2 x Round Flush canopies, 100mm diameter.

DRIVERS & DIMMING

LOST PROFILE products are supplied with 0-10V dimmable LED drivers.
 LOST PROFILE do not supply 0-10V rotary switches or wall plates.
 Talk to your electrician about sourcing these items.
 The location of the driver needs to be considered, whether in a ceiling cavity, in a wall cavity, or ideally in an accessible electricals cabinet.

PRICING & LEAD TIMES

Please contact us or your nearest LOST PROFILE representative for current pricing and lead times.
